# Doggie Daycare

At **All About Paws** your dog will get to play with friends as well as have constant human supervision and interaction. We feel this provides a safe and fun place for your furry kid to play while you're away for the day.

Fonoti and Baby say "Good Morning"

Each dog must go through an interview/evaluation before being admitted into

daycare. No aggressive dogs will be allowed. Also, females in heat are not allowed. Each dog must be fully vaccinated. The vaccines we require are:

- Rabies
- Distemper/Parvo Combo
- Bordetella

Please call to schedule an interview for your dog and a tour for yourself.

## Yappy Hour

Saturday mornings are for "Yappy Hour". Enjoy a cup of

coffee while you watch your kids play and meet their friends parents. Check out our web site for upcoming dates and times.

## Training

**All About Paws** features a full variety of training needs, including puppy class, basic and advanced obedience as well as individual and specialty classes. All training is based on positive reinforcement. Call to check class schedules and pricing.
